

Odd Jobs Registration

The Community and Recreational Services Department is establishing a database for “Odd Jobs” within the Town of East Greenbush. It will consist of youth between the ages of 13 and above having an application on hand in our department offering their services for payment to anyone in the community needing help with snow removal, lawn maintenance, childcare, mother’s helper, elderly companions, different types of shopping, etc.

We are asking that anyone needing any type of assistance at all to please fill in the information below and return it to our Department located in Town Hall. We will try our best to accommodate you with one of our youth applicants. Thank you.

Daniela Lanni, Director, Community and Recreational Services Department

Anita Nero, Deputy Director, Community and Recreational Services Department
