169-2022 A Resolution for the Town Board to Approve the Use of \$250,000.00 from American Recovery Plan Act (ARPA) Funding to Expand and Complete the Town's 2022 Paving Program

WHEREAS, the Town of East Greenbush was awarded funding from the American Recovery Plan Act (ARPA) in two tranches, each for \$831,843.66; and

WHEREAS, the Town Comptroller and Town Supervisor did extensive research into the eligible uses of these funds and concluded that the paving of roads is an eligible expense; and

WHEREAS, the Town of East Greenbush has created an inventory of all Town roads and graded each to arrive at the 2022 paving list, based on the idea that roads with the greatest need are paved first; and

WHEREAS, in 2022, the cost of labor, equipment and materials for our paving projects has increased dramatically; and

WHEREAS, the Town's paving needs far exceed the current budget for paving, the Town Board believes that it would be an effective use of ARPA funding to increase the amount of paving done in Town this year; and

WHEREAS, the Town Comptroller has identified account code 51324.03.04.106 ARPA Paving CE offset by revenue code 3089.03.000.106 ARPA Paving funded by ARPA funds charged to 691.01 Deferred Inflows;

now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush approves the use of \$250,000.00 of funding from the American Recovery Plan Act (ARPA) to expand and complete the 2022 paving program;

and be it further

RESOLVED, that the Commissioner of Public Works will prepare a plan for the use of these funds and will submit it to the Town Board for approval at the August business meeting.

170-2022 A Resolution to Issue a SEQRA Determination and to Adopt Local Law No. 3 of 2022 Amending the Solar Energy Law to Provide Requirements for Large Scale Solar Energy Systems and Certain Other Modifications

WHEREAS, on January 19, 2022 the Town Board adopted Local Law No. 1 of 2022 imposing a temporary moratorium on the applications for permits, site plans, or other land use approvals for large-scale solar energy systems (LSSSES) in order to give the Town Board sufficient time to adequately study and consider the Comprehensive Zoning Law and the Solar Energy Law as they relate to LSSSES within the various zoning districts in the town; and

WHEREAS, the text of a proposed local law amending various sections of the Solar Energy Law (Local Law 1 of 2017, as amended by Local Law 3 of 2017) to provide requirements for LSSSES and certain other provisions was introduced to the Town Board on May 20, 2022 (the “proposed Solar Energy Law amendments”); and

WHEREAS, a Full EAF has been prepared for this type 1 SEQRA application and the Director of Planning and Zoning, on behalf of the Town Board, initiated a coordinated review, indicating that the Town Board is declaring its intent to be lead agency, which the Town Board acknowledged on May 18, 2022 (resolution 131-2022), and has coordinated the lead agency status, receiving no responses to the contrary, and has sought comments from other involved and interested agencies; and

WHEREAS, the Town Board conducted a Public Workshop on Large Scale Solar Energy Systems on March 30, 2022 to receive public and industry stakeholder comment on the proposal to modify the Solar Energy Law with regard to LSSSES and the potential for development in the Town of LSSSES, more generally; and

WHEREAS, the Town Board held a duly noticed public hearing on June 8, 2022 to accept public comment on the proposed Solar Energy Law amendments; and

WHEREAS, the Town Board held a second duly noticed public hearing on July 13, 2022 to accept public comment on the proposed Solar Energy Law as amended since the June 8, 2022 public hearing; and

WHEREAS, the Town Board considered all comments of the public both for and against the proposed Solar Energy Law amendments expressed during the public hearing on June 8, 2022 and on July 13, 2022; and

WHEREAS, the proposed Solar Energy Law amendments were provided to the Town Planning Board to provide the Planning Board with an opportunity to provide an advisory report

in accordance with Section 4.4.1.B of the Comprehensive Zoning Law (CZL) concerning the proposed amendment to the CZL; and

WHEREAS, the Planning Board at its meeting of May 27, 2022 recommended that the Town Board adopt the proposed Solar Energy Law amendments; and

WHEREAS, the proposed Solar Energy Law amendments and accompanying documentation was provided to Rensselaer County Economic Development and Planning (RCEDP) for its review pursuant to the requirements of the NYS General Municipal Law and the RCEDP responded by recommending that local consideration shall prevail; and

WHEREAS, the Town Board took into consideration the recommendation of the Town Planning Board and RCEDP; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town's finances;

now, therefore, be it

RESOLVED, that the Town Board as SEQRA lead agency for the review of this type 1 action has carefully reviewed the SEQRA documents including the EAF Part 1, 2 and 3, and has considered the SEQRA criteria of significance set forth at 6 NYCRR 617.7 (c) and hereby determines to issue the attached negative declaration of environmental significance, finding that no EIS will be prepared for this project because the action will not have a significant adverse impact on the environment;

and be it further

RESOLVED, that the Town Board hereby approves Local Law No. 3 of 2022 amending the Solar Energy Law to provide requirements for large-scale solar energy systems and certain other modifications;

and be it further

RESOLVED, that the Moratorium on Large Scale Solar Energy Systems is lifted, effective immediately;

and be it further

RESOLVED, that Local Law No. 3 of 2022 be filed in accordance with applicable provisions of law.

171-2022 A Resolution to Issue a SEQRA Determination and to Adopt Local Law No. 4 of 2022 Enacting a Battery Energy Storage Systems Local Law

WHEREAS, in the context of an increase in development of renewable energy sources, including the development of Large-Scale Solar Energy Systems, the Town Board finds that Battery Energy Storage Systems (BESS) installations are likely to become a more frequent component of the electrical grid located in and serving the Town and its residents; and

WHEREAS, in this context, and given this finding, the Town Board also desires to balance the need for Battery Energy Storage Systems development with other dimensions of the public interest, including Battery Energy Storage Systems safety, land use, first responder

training, and decommissioning, with respect to potential development of Battery Energy Storage Systems in the Town; and

WHEREAS, the text of a proposed local law providing requirements for Battery Energy Storage Systems was introduced to the Town Board on May 20, 2022 (the “battery energy storage systems local law”); and

WHEREAS, a Full EAF has been prepared for this type 1 SEQRA application and the Director of Planning and Zoning, on behalf of the Town Board, initiated a coordinated review, indicating that the Town Board declare its intent to be lead agency, which the Town Board acknowledged on May 18, 2022 (resolution 132 of 2022), and has coordinated the lead agency status, receiving no responses to the contrary, and has sought comments from other involved and interested agencies; and

WHEREAS, the Town Board held a duly noticed public hearing on June 8, 2022 to accept public comment on the proposed Battery Energy Storage Systems Local Law; and

WHEREAS, the Town Board considered all comments of the public both for and against the proposed Battery Energy Storage Systems Local Law expressed during the public hearing on June 8, 2022; and

WHEREAS, the proposed Battery Energy Storage Systems Local Law was circulated to the Town Planning Board to allow the Planning Board with an opportunity to provide an advisory report in accordance with Section 4.4.1.B of the CZL concerning the proposed amendment to the CZL; and

WHEREAS, the Planning Board at its meeting of May 27, 2022 recommended that the Town Board adopt the proposed Battery Energy Storage Systems Local Law; and

WHEREAS, the proposed Battery Energy Storage Systems Local Law and accompanying documentation was provided to Rensselaer County Economic Development and Planning (RCEDP) for its review pursuant to the requirements of the NYS General Municipal Law and the RCEDP responded by recommending that local consideration shall prevail; and

WHEREAS, the Town Board took into consideration the recommendation of the Town Planning Board and RCEDP; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town’s finances;
now, therefore, be it

RESOLVED, that the Town Board as SEQRA lead agency for the review of this type 1 action has carefully reviewed the SEQRA documents including the EAF Part 1, 2 and 3, and has considered the SEQRA criteria of significance set forth at 6 NYCRR 617.7 (c) and hereby determines to issue a negative declaration of environmental significance, finding that no EIS will be prepared for this project because the action will not have a significant adverse impact on the environment;

WHEREAS, the General Foreman of the Water Department and the Commissioner of Public Works have experienced a water break on a certain section of Hillview Avenue every year since 2018; and

WHEREAS, the water main in this section has deteriorated and is in need of replacement; and

WHEREAS, the Water Department experienced a water break on June 19th, 2022 on the same section of water main on Hillview Ave; and

WHEREAS, the Water Department has been experiencing 2 water breaks a year on a portion of the water main and the main currently has 8 repair clamps on it; and

WHEREAS, Hillview Avenue is heavy traveled road as it leads to many neighborhoods off of the 9&20 corridor; and

WHEREAS, the Commissioner of Public Works believes that directional drilling of the new main would be the most cost effective way to complete the task while allowing traffic to pass through during construction; and

WHEREAS, the Water Department would perform the excavation for the boring pits along with the lateral connections to keep the cost down on the project; and

WHEREAS the Commissioner of Public Works has contacted Directional Drilling Contractors and received 3 quotes and 1 non responsive reply; and

WHEREAS, HDPE Services LLC. is the lowest responsible contractor and has previously done this type of work for the Town of East Greenbush under a different name of Drilling Technologies Inc.; and

WHEREAS, the Town Comptroller confirms that this project will have a material impact on the General Water Fund SW;

Fund	Transfer In	Transfer Out
SW – Consolidated Water Fund		\$26,900.00
83404.05 – Transmission/Distribution CE	\$26,900.00	

and be it further

RESOLVED, that the Town Board hereby authorizes the Commissioner of Public Works to sign a contract agreement with HDPE Services LLC. to perform Directional Drilling and installation of 650 feet of High Density Polyethylene (HDPE) Pipe for a new Water Main on a section of Hillview Ave.

180-2022 A Resolution to Authorize the Supervisor to Enter Into an Agreement to Provide Additional Funding for the W.F. Bruen Rescue Squad

WHEREAS, W.F. Bruen Rescue Squad (“Bruen”) has served the Town of East Greenbush in capable fashion for many years; and

WHEREAS, Bruen submits its annual budget to the Town so it can be included in the Town’s tax levy and did so for the 2022 budget in an amount that was funded by the Town; and

WHEREAS, subsequent to the passage of the Town’s 2022 budget, Bruen entered into labor negotiations with its unionized employees; and

WHEREAS, Bruen’s salary proposals were needed to bring Bruen salaries into line with competing ambulance services but included a significant amount of funding that was not included in their 2022 budget submission; and

WHEREAS, the Town Board wishes to support Bruen Rescue Squad in its desire to pay fair wages to its employees and supports the mission of the agency; and

WHEREAS, the Town Supervisor met with Bruen’s Director of Administration and Operations several times to see how the Town could productively assist Bruen in settling their labor dispute; and

WHEREAS, Bruen has now submitted a written proposal describing and justifying the new request for an additional \$50,000.00 for this year and this has been circulated amongst and reviewed by the members of the Town Board; and

WHEREAS, in order to ensure that the funding is necessary the Town will require the submission of fiscal information from Bruen on an annual basis, including an independent audit, copies of Union contracts and other financial data as requested; and

WHEREAS, the Town Comptroller confirms that this resolution will have a material impact on the Town's finances;
now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush authorizes the Supervisor to enter into an Agreement with the W.F. Bruen Rescue Squad, subject to approval as to form by the Attorney to the Town;
and be it further

RESOLVED, that the Town Board approves the additional funding request of \$50,000.00 for the W.F. Bruen Rescue Squad for 2022 to cover the increased labor costs agreed in the negotiations between Bruen and their employees.

181-2022 A Resolution to Create an Event Rate for Employees in the Community and Recreation Department

WHEREAS, the work of the Community and Recreation Department includes events that occur outside the normal hours of work (8:30 a.m. – 4:30 p.m.) such as the Fishing Derby, Easter Egg Hunt, Music in the Park, Spotlight on Youth, etc.; and

WHEREAS, the Community and Recreation staff work their regular hours and must take these off-hour duties as well; and

WHEREAS, the Supervisor recommends to the Town Board that these activities should be compensated in the same way as Court Clerks, Court Attendants, the Secretary of Planning and Zoning, or Code Enforcement Officers are when they are required to work in off-hours; and

WHEREAS, the number of Community and Recreation events is known in advance for any given year and the funding for this resolution can be accurately budgeted moving forward; and

WHEREAS, the employees currently duly appointed in the Community and Recreation Department are Lisa O'Brien and Donna Millett; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town's finances;
now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush approves an Event Rate of \$80.00/event for duly appointed Community and Recreation staff who are required to work on events that occur outside of their normal assigned work hours;
and be it further

RESOLVED, that if an event lasts beyond four hours, Donna Millett will also receive her hourly rate for any time worked over four hours.
and be it further

RESOLVED, that this rate will be in effect until December 31, 2022.

182-2022 A Resolution Authorizing the Supervisor to Enter Into Multiple Service Agreements for Engineering Services

WHEREAS, the Town: (1) periodically receives applications from parties seeking to conduct business with the town related to property development and/or use pursuant to the Town’s Comprehensive Zoning Law, Subdivision Regulations, and Local Law No. 6 of 2004 and (2) periodically undertakes, via its own initiative, special projects of varying nature and magnitude (referred to hereinafter, collectively, as the “Needs”), all of which require the town to retain, on an ad hoc basis, the specialized services (referred to hereinafter as the “Services”) of qualified, professional engineering consultants and related entities (referred to hereinafter as “Firms”) in order to meet the Needs; and

WHEREAS, in an effort to streamline and systematize the process by which the Firms may be authorized to provide the Services, the Town Board, via its adoption of resolution no. 38-2019, authorized the Director of Planning and Zoning to solicit proposals from proposers via the issuance of a Request for Proposals (referred to hereinafter as “RFP”); and

WHEREAS, following the issuance of RFP no. 22-05 on May 17, 2022, ten qualified proposals were received in response thereto on or before the due date of June 20, 2022; and

WHEREAS, such proposals received were subsequently vetted by an evaluation committee composed of Town staff based on certain best-value-related criteria, including, but not limited to, proposers’ respective qualifications and expertise in areas relevant to the Needs; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town’s finances as long as funding is provided from the budget or other added revenues;

now, therefore, be it

RESOLVED, that the following Firms be, and the same hereby are, selected and approved to provide the Services, each under the provisions of a personal services agreement (referred to hereinafter as “Agreement”) that shall be effective for a period of three years with two, one-year extensions, the substance and form of which shall be recommended by the Attorney to the Town:

Adirondack Mountain Engineering, P.C.
FCM Engineering PLLC
Greenman-Pedersen, Inc.
JMT of New York, Inc.
M.J. Engineering and Land Surveying, P.C.
Stantec Consulting Services, Inc.
Tighe & Bond

and be it further

RESOLVED, that the Supervisor be, and the same hereby is, authorized to execute an Agreement with each of the foregoing Firms;

and be it further

RESOLVED, that the Director of Planning and Zoning is hereby authorized to develop, sign, and issue written task orders relative to work assigned to a Firm under its respective Agreement, provided, however, that no such task order shall be issued unless, in whichever case may be applicable: (1) escrowed funds of an applicant have been duly verified as sufficient or (2) budgeted funds for Town-initiated projects have been duly verified as sufficient;

and be it further

RESOLVED, that, unless deemed impractical by the Director of Planning and Zoning, no such task orders shall be issued for assigned work unless mini-bids for Services have been sought from the Firms.

183-2022 A Resolution Authorizing the Supervisor to Sign a Limited Amendment to the Development Agreement with Regeneron Pharmaceuticals, Inc.

WHEREAS, on June 19, 2019 the Town Board (Resolution 132-2019) approved an agreement with Regeneron Pharmaceuticals, Inc. (“Regeneron” and the “Agreement”) involving development of required mitigation measures and improvements to Town infrastructure in connection with development of Regeneron’s Tempel Lane Campus; and

WHEREAS, since execution, Regeneron and the Town have each performed their obligations under the Agreement to be in a position to improve and rebuild Tempel Lane, to increase the capacity of the Town sewage system, including designing the necessary pump stations and other infrastructure to increase the capacity, among other mitigation measures set forth in the Agreement; and

WHEREAS, on February 16, 2022, the Town Board (Resolution 54-2022) authorized the Supervisor to sign a limited amendment to said development agreement, confirming that the issuance of a Certificate of Occupancy for Regeneron’s Science Building would not be delayed by any changes in the completion date for the transportation and sewer project set forth in the limited amendment letter to the development agreement; and

WHEREAS, the letter is intended to memorialize certain understandings between the Town and Regeneron in connection with the development agreement, it is attached and made a part hereof; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town’s finances;

now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush hereby approves the understandings as set forth in the attached Letter;

and be it further

RESOLVED, that the Town Board hereby authorizes the Town Supervisor to execute the Letter, subject to final review and approval as to form by the Town Attorney.

184-2022 A Resolution to Provide an Attendance Bonus for Summer Camp Counselors and Directors

WHEREAS, the Summer Camp staff consists of counselors, directors, lifeguards, medical personnel as required by State Law and County Health Department guidelines; and

WHEREAS, the rate of pay for Counselors and Directors was set earlier in 2022 and as inflation and costs continue to skyrocket now seems slightly less than a fully competitive wage; and

WHEREAS, it is in the Town’s best interest to attract and hold on to talented, responsible staff, and to have them paid a fair wage; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town’s finances;

now, therefore, be it

185-2022 A Resolution to Authorize the Supervisor to Enter Into an Agreement with Industrial & Utility Valuation Consultants, Inc. to Conduct a Non-Reappraisal Systematic Review of Real Property

WHEREAS, this resolution was not able to be submitted in time to be considered at the regularly scheduled pre-board meeting of July 13, 2022 and was subsequently presented to the Town Board on July 18, 2022; and

WHEREAS, the Town Board places a value on having as high an equalization rate as possible, and in 2022 our equalization rate dropped to 88% with the prospect of it dropping further if the Town Board takes no action; and

WHEREAS, the Town’s Sole Appointed Assessor has recommended that we conduct a non-reappraisal systematic review of real property, beginning with data collection starting on August 1, 2022 and continuing on to a recalibration of current taxable assessments that would conform with current and recent housing market trends; and

WHEREAS, property values have changed dramatically and potentially unequally, both within and among property classes, and the Town Board wishes to ensure that these changes are fairly reflected in the 2023 assessment roll: and

WHEREAS, the Town's single source provider, Utility & Valuation Consultants, Inc., has submitted a proposal to conduct a non-reappraisal systematic review of real property at a cost to the Town of \$130,000.00; and

WHEREAS, the Town Comptroller confirms that this resolution will have a material impact on the Town's finances, although it is noted that half of the funding for this project will be paid out of 2022 funds and the other half will be included in the 2023 Town Final Budget; now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush authorizes the Supervisor to enter into an agreement with Utility & Valuation Consultants, Inc. to conduct a non-reappraisal systematic review of real property at a cost to the Town not to exceed \$130,000.00.

186-2022 A Resolution Awarding \$5,000 in Added Service Costs to Complete the Audit of the Town's 2021 Financial Statements

WHEREAS, this resolution was not able to be submitted in time to be considered at the regularly scheduled pre-board meeting of July 13, 2022 and was subsequently presented to the Town Board on July 19, 2022; and

WHEREAS, the Town Board of the Town of East Greenbush retained the services of a qualified independent auditor for purposes of conducting a full audit of the financial and related records of the Town (hereinafter, "Financial Audit") and of the books and records of the Town of East Greenbush for the fiscal year 2021 for \$25,000 and added costs were encountered due to federal single audit requirement discussion, added cash reconciliation and other item; and

WHEREAS, that UHY, LLP has agreed to discount the \$10,000 in added services costs to complete the 2021 Financial Audits at a cost not to exceed \$5,000.00; and

WHEREAS, the Town Comptroller confirms that the financial impact of this resolution is budgeted in 2022 13204.01 Independent Auditing and Accounting CE and allocated to the budgeted operating funds affected at \$5,000.00 for 2022;

now, therefore, be it

RESOLVED, that the Town Board authorizes the Supervisor to process a payment for the added services (federal single audit requirement discussion, added cash reconciliation and other item) to complete the 2021 Financial Audits with UHY, LLP at an added cost not to exceed \$5,000.00 for the audit of the Town's 2021 financial records.
