

CONSTRUCTION NOTICE

Tempel Lane Extension and Third Avenue Improvements

Construction Notice

The Town of East Greenbush is working on the completion of the Tempel Lane Extension project. One of the last remaining phases of this project will involve work along Third Avenue on each side of the Tempel Lane Extension intersection. All work is being performed within the NYSDOT Highway Boundary. Through October 2023 there will be daily traffic inconveniences. During the daytime hours, road work will require alternating one way traffic along with modifying driveway entrances.

As an adjacent property owner, the Town's contractor will work with you to make sure you are accommodated for access to your property throughout this period.

Thank you for your patience and cooperation as the Town of East Greenbush looks to improve the transportation infrastructure within the Town.

Additional Information

Additional information on the project can be found on the Town's website
