118-2023 A Resolution to Adopt the Report Entitled, “Hampton Manor Lake Assessment, Strategies for Improving the Health of the Lake and Enjoyment by Residents” as written by the Town of East Greenbush Conservation Advisory Council (CAC)

WHEREAS, the Town Board of the Town of East Greenbush authorized, via resolution 158-2022 on June 15th, 2022, the Conservation Advisory Council (CAC) to review and make recommendations for improving the health of Hampton Manor Lake so that water quality and usability can be improved and Hampton Lake’s important position as a Town amenity can be preserved and enhanced; and

WHEREAS, Hampton Manor Lake is an important resource and amenity for Town residents but has been experiencing a decline in health for many years and for many reasons; and

WHEREAS, one indicator of the health of a lake concerns the animal and plant populations that reside in and around it, and though no formal longitudinal study has been conducted of natural populations, Hampton Manor Lake is still home to a variety of flora and fauna, indicating that the lake is declining, not dead; and

WHEREAS, numerous residents have expressed their concern about the need to improve the water quality and usability of the lake; and

WHEREAS, the CAC have worked over many months to assess the existing conditions and challenges of Hampton Manor Lake and have produced a comprehensive report with four strategies to improve the health of Hampton Manor Lake; and

WHEREAS, the CAC, at its May 1, 2023 meeting passed a resolution recommending adoption by the Town Board of their report titled, “Hampton Manor Lake Assessment, Strategies for Improving the Health of the Lake and Enjoyment by Residents”; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town’s finances;

now, therefore, be it

RESOLVED, that the Town Board of the Town of East Greenbush hereby adopts the report entitled, “Hampton Manor Lake Assessment, Strategies for Improving the Health of the Lake and Enjoyment by Residents” with the intent to act upon one or more of the recommended strategies when and as appropriate.

119-2023 A Resolution to Issue a Negative Declaration of Environmental Significance under SEQRA and Issue a Major Site Plan Approval for Mabey’s Realty Phase 2 (PZD File #19-02a)

WHEREAS, Mabey’s Realty, Inc. (“Owner”) and Hart Engineering, authorized representative of the Owner, have submitted an application for a major site plan and Special Use Permit to construct an approximately 30,566 square foot warehouse storage building and related improvements, Phase 2, (“the Project”) located at 486 3rd Avenue Extension, Town of East Greenbush, New York. Tax Parcel No. SBL: 144.-3-6.2; and

WHEREAS, on September 21, 2022, the Town Board passed Resolution 219 of 2022, and classified the project as an unlisted action under the State Environmental Quality Review Act (SEQRA) and declared its intent to seek lead agency in connection with a coordinated review under SEQRA; and

WHEREAS, the original approval of Mabey’s located at 486 3rd Avenue Extension included a proposed ‘Phase 2’ for development of a single-story 15,000 sq. ft. building for multi-tenant retail/commercial and a single-story 5,460 sq. ft. retail/commercial building, for which approval of the original ‘Phase 2’ could have been reviewed by the Planning Board as a site plan modification if it was “substantially similar” to the original ‘Phase 2’ proposal; and

WHEREAS, the proposal was found to not be substantially similar to the original ‘Phase 2’ proposal and is therefore considered a major site plan, the Project consists of a proposed single-story 30,566 sq. ft. warehouse storage building and a proposed ‘Phase 3’ consisting of a single-story 5,460 sq. ft. retail/commercial building; and

WHEREAS, the Town Board of the Town of East Greenbush has reviewed the application and related materials, including the site plan entitled “Mabey’s Realty Storage & Commercial Buildings – Phase 2” 16 sheets in total as prepared by Hart Engineering dated August 2022 most recently revised March 21, 2023; and

WHEREAS, the Town Board has also reviewed the short EAF and accompanying correspondence and reports addressing potential environmental impacts of the project; and

WHEREAS, the Planning Board carefully considered the comments of and recommendation of its Town Designated Engineer, MJ Engineering, as well as the responses to those comments and recommendations provided by the Applicant and recommended on April 26, 2023 that the Town Board issue a negative declaration under SEQRA and approve the major site plan; and

WHEREAS, the Town Board had a duly noticed public hearing on May 10th, 2023 on the application and carefully considered all comments received; and

WHEREAS, the project was referred to Rensselaer County as required by the General Municipal Law and the County determined that local consideration shall prevail; and

WHEREAS, the Town Comptroller confirms that this resolution will not have a material impact on the Town's finances;

now, therefore, be it

RESOLVED, that the Town Board hereby declares itself lead agency in connection with a coordinated review under SEQRA;

and be it further

RESOLVED, that the Town Board hereby issues a negative declaration finding that the proposed application for major site plan and Special Use Permit for the Mabey's Realty Phase 2 project, an unlisted action, will not result in any significant adverse environmental impacts;

and be it further

RESOLVED, that the Town Board hereby approves the major site plan application as set forth in the Site Plans entitled, "Mabey's Realty Storage & Commercial Buildings – Phase 2" 16 sheets in total as prepared by Hart Engineering dated August 2022 most recently revised March 21, 2023, subject to the following conditions:

1. Prior to issuance of a building permit, the Applicant must address any remaining technical comments from the Town's Planning and Zoning Department.
2. Approval of Major Site Plan is contingent upon approval of Special Use Permit under review by the Town's Planning Board.
3. The plans are subject to any conditions and time limitations which are attached to approval of the Special Use Permit by the Planning Board and must be modified accordingly. The plans must also include a note stating the date of Planning Board Special Use Permit approval and any conditions required as part of said approval.
4. There shall be no outside parking or storage of commercial vehicles or heavy moving vehicles on a long-term basis on site.
5. Prior to issuance of a building permit, all remaining fees and escrow must be paid to the Town, including land development mitigation fees required in connection with the Western East Greenbush Generic Environmental Impact Statement (GEIS) as detailed in the GEIS fee statement provided by the Town.
6. The plans must be signed by the Planning Board Chairperson and the Commissioner of Public Works.
7. A Department of Public Works Utility Permit, as determined by the Commissioner of Public Works, must be obtained for any work involving connection to the Town's sanitary and/or water supply systems.
8. A NYSDOT highway work permit must be obtained for all work within the NYS right-of-way. Additional grading is being proposed within the NYS Route 43 right-of-way, the applicant should coordinate this work with the Region 1 office of the NYSDOT.
9. Prior to site work and/or issuance of a building permit, all storm water pollution prevention permits must be obtained. Required periodic Storm Water Pollution Prevention Plan (SWPPP) inspections must be performed during the permit term by the design engineer or other qualified individual in accordance with the GP-0-15-002, the approved SWPPP, and the Town's Comprehensive Zoning Law.

10. Prior to issuance of a Certificate of Occupancy, the property owner or Mabey’s Realty, Inc. must enter into a Stormwater Facility Maintenance Agreement with the Town to ensure proper maintenance of all stormwater facilities in perpetuity.
11. Prior to issuance of a Building Permit, the property owner or Mabey’s Realty, Inc. must retain a New York State licensed professional land surveyor, engineer, registered architect or landscape architect to submit the completed form entitled, attached to the Planning Board resolution, “Professional Certification Commitment For Site Plan And/Or Special Use Permit Approval, Town of East Greenbush” and comply with said form by making periodic observations of the site and providing copies of all site reports to the Building and Codes Department and Planning and Zoning Department.
12. Provided the Phase 3 development proposal is substantially similar to that which is shown on the approved site plan, consisting of a single-story 5,460 sq. ft. retail/commercial building, it is subject to further Planning Board approval as a site plan modification.
