Communications/Announcements/Reports

Town Board members provided their individual community-related information and announcements.

Supervisor Conway extended thanks and commended Superintendent Jeff Simons and his staff for the work they did and how well the school district has performed during the pandemic.

Superintendent Jeff Simons highlighted that his work is similar to the town as we both provide services to the community. Mentioned the numerous conversations during the pandemic with Supervisor Conway to make sure we continued to serve the community the best we can, and keep the lines of communication open between the town and our school district. He noted that a really solid partnership has developed over the past few years with the Town of East Greenbush, including working directly with the Town Board, activities with Community and Recreation, as well as with the East Greenbush Police Department with Resource Officer Program along with a number of initiatives on school safety. Also in attendance is Mike Buono, Board President, JoAnn Taylor, Linda Wager, Director of Business and Finance, and Wayne Pratt.

Presentation: EGCS D Superintendent Jeff Simons presented the 2021-22 District Budget
Thanked the Town board for the opportunity to present the school district's proposed budget. Experienced a lot of shifts and changes over the course of this year as we've tried to continue to offer excellence in educational services to our community during very difficult time. The constraints of operating our schools within the pandemic have in some ways constrained us but also provided us opportunities to advance the district with our application of computer technology to instruction to learn things that we didn't know we could do as a school district and our budget reflects really where we're at as a school district this year but also we always come back to the board goals no matter what is occurring in our district.

105-2021 A Resolution Approving the Amendment to the Town of East Greenbush Cafeteria Plan Allowing Certain Temporary Relief for Benefit Plans under the Continuing Appropriations Act of 2021

WHEREAS, the Town of East Greenbush currently offers employees the option to participate in the Flexible Spending Account or the Dependent Care Account; and

WHEREAS, Health Flexible Spending Arrangements (FSAs) and Dependent Care Assistance Programs (DCAPs) may be amended to add the temporary special rules provided in the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA); and

WHEREAS, the CRRSAA will allow the following changes to be made to the Town's plans for the 2021 plan year (January – December):

- **FSA Plan Amendments**
 - Rollover of unused FSA Funds to the next plan year: Amend plan year ending 2020 and 2021 to allow Unlimited rollover of full unused funds. Previously there was a \$500 cap of rollover for previous year.
 - Expanded Permissible Election Changes: For the Plan Year ending in 2021, the Health FSA shall allow mid-year changes limited to the participant's year-to-date reimbursement dollar amount. Employees can add or decrease their annual amount, but not to an amount less than what was already paid out or deducted from payroll.

- Post-termination Reimbursement: For the Plan Year(s) starting in 2020 and 2021, notwithstanding any other provision of the Plan to the contrary, shall post-termination FSA reimbursements up to the former participant’s year-to date contributions less year to date reimbursements.
- **Dependent Care Assistance Program (DCAP)**
 - Access to Prior Year Balances: For the Play Year(s) starting in 2020 and 2021, notwithstanding any other provision of the Plan to the contrary, the DCAP shall permit an extended Carryover of full unused balance.
 - Extended Dependent Eligibility: For certain DCAP participants as defined below, a qualifying individual shall mean; a dependent of the taxpayer as defined in Code § 152 (a) (1) (i.e., a qualifying child) who has not attained age 14. This change to the definition of qualifying individual applies solely to a Dependent Care FSA participant who has one or more dependents who attain age 13 during the last plan year whose enrollment period ended on or before January 31, 2020 (the “2020 plan year”).

; and

WHEREAS, the amendments allow employees who take advantage of the Flexible Spending and/or Dependent Care Accounts to use the money they had elected to deduct, but due to the pandemic were unable to use the funds before the use period window expired and funds were then lost; and

WHEREAS, the Town Comptroller confirms this resolution has no material financial impact because the Flexible Spending Account and Dependent Care Account funds are deducted from employees’ paychecks on a bi-weekly basis and held in the Town’s Flexible Spending Bank Account until employees seek reimbursement from Prime Pay or for paying for health related expenses using their Prime Pay MasterCard, therefore this should not have a material impact as the funds are already within the account.
