

applicant would be required to provide proof that he or she has been an enrolled member of an incorporated volunteer fire company, fire department, or voluntary ambulance service for at least two years. A volunteer showing twenty years of active service would be entitled to the 10% exemption for the remainder of his or her life, as long as the primary residence is located within the Town of East Greenbush. The proposed local law would also provide a continuation of the exemption to certain un-remarried spouses of a qualifying volunteer firefighter or ambulance worker, killed in the line of duty, or having served twenty years as a volunteer. Applications for the exemption would be made to the Town Assessor. Applications for the exemption could first be filed in 2024, and would be included in the 2025 tax roll for the Town of East Greenbush.

A copy of the proposed local law may be inspected at the Office of the Town Clerk during regular business hours. In addition, a copy of the proposed local law is also available on the Town’s website at www.eastgreenbush.org.

Open Public Comment: Volunteer Firefighters and a resident presented their respective comments to the Town Board.

Town Board members provided their individual comments.
